

European Congress of Medical Physics

23 - 25 August 2018
Copenhagen · Denmark

Welcome to ECMP 2018 - registration and abstract submission open

We are inviting you to register for the 2nd European Congress of Medical Physics, which will be held in Copenhagen, Denmark on 23 - 25 August 2018.

The Congress is organised by the European Federation of Organizations for Medical Physics (EFOMP) and hosted by the Danish Society for Medical Physics (DSMF) and the Swedish medical physics associations (SSFF and SFfR).

ECMP 2018

The purpose of the 2nd European Congress of Medical Physics is to connect the medical physics specialties and create a common forum for networking, sharing knowledge, and focusing on the physics within the field of medicine.

The congress offers morning refresher courses, joint sessions in cooperation with sister societies, proffered papers and invited talks. Further, a supplement of the congress abstract contributions will be published in EFOMP's journal *Physica Medica: European Journal of Medical Physics* together with a special issue of full length articles from selected abstracts.
